Brainpop ell characters

c: People, Heroes, Men, and 2 More Edit Share Ben is the protagonist of BrainPOP ELL and one of the few people to understand Moby. Ben could be 13 or 15 years old. He is a clumsy and noisy man, but he was also very thoughtful and kind. He may have a crush on Nikki, as shown in I Love The Poppers! video dictionary. Also, in Happy Birthday! This is the movie Ben says he and Moby love her, even though it seems to be in a platonic way. Once, he helped when Nikki was sick of what Nikki wanted. In Sudden Beginning, they blushed at each other when they were together under the umbrella. Moby is Ben's best friend. They both love the same group, and Ben teaches Moby a lot of things. Ben also helps Moby win the orange gum while teaching him probability. He helped me remind Moby of their friend, Mike. They talked about their hobbies and counted Ben's cards. Whatever these guys do, they always have their backs! Friends and family[edit] As seen in the section above, Moby is one of Ben's friends. In Hello, I'm Ben!, you can see that there are also friendships with a boy named Ed and a girl named Nikki. Mike and Best Friends also show that he is also a friend of Mike's, who could be BrainPOP's chief creative officer, Mike Watanaby. He has a mother and father, as well as a grandfather, all of whom have not been named. He's got a cousin named Larry seen in Get A Hobby! Video. In the same video, he shows that he has an uncle. The hobby[edit] of Ben's hobby is to collect postcards, as seen in Take Up A Hobby!. He says: I'm really good at baking in Thanks for Nothing!, and can show it in other episodes. In Styles of art, he has many paintings and likes to paint, which can also be a hobby for him. Trivia[editing] He can speak English, Spanish and Beepish (moby language).
